

# How does it work?

Getting your car repaired with Warranty First is as easy as 1, 2, 3!

## Step 1. Easy online repair form

If your vehicle develops a fault, complete our quick online Repair Form. We'll be in touch right away to get things moving.

## Step 2. Book into a garage

We'll ask you to visit any UK garage for a diagnosis, which should then be sent to us for review.

## Step 3. Back on the road

Once we have all the details of the repair, we will use our discretion and confirm whether we can contribute to the repair costs.

# We're trusted by over 40,000 drivers

Partnered with thousands of UK car dealers and trusted by more than 40,000 drivers, Warranty First has spent over a decade helping people avoid the stress and expense of mechanical breakdowns.

Our flexible plans cover cars, commercial vehicles, motorbikes and motorhomes providing you with complete confidence on every journey.

**Benefits include:**

## Multiple Repairs ✓

There's no limit on the number of repairs you can make.\*

## No Mileage Limit ✓

Once your plan starts, there's no restriction on mileage.

## Hybrid & Electric Vehicles ✓

Included in Premier and Exclusive repair plans only, which have been designed to protect EV and Hybrid vehicle essential components, too.

## Consequential Damage ✓

If a non-listed part causes damage to a listed part, we will exercise our discretion in considering the repair request.

## Your Choice of Garage ✓

We let you take your vehicle to any UK garage of your choice.

## Roadside Assistance & Recovery ✓

Roadside assistance & recovery 365 days a year. 24 hours a day, an optional extra on all plan levels.

## Wear & Tear ✓

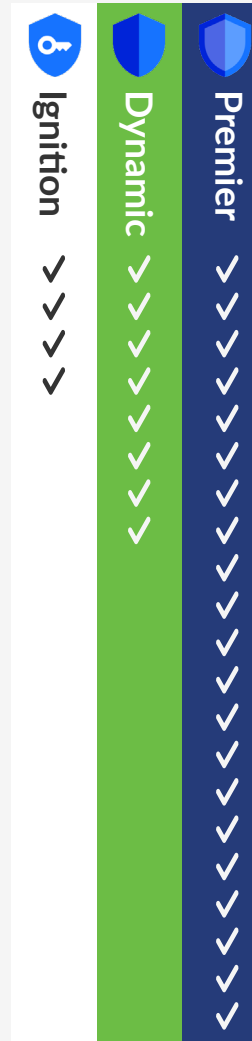

Wear and tear items are considered subject to terms and conditions

\*As long as the total repair costs don't exceed the current market value of your vehicle.
